

New Truitt Bros. All-Natural Shredded Beef Chili Food Prepared like Nature Intended

07/25/2010

Deliver the hearty, healthy flavor your customers crave with new Truitt Bros. All Natural Shredded Beef Chili. High in protein and fiber, low in fat, and free of additives and preservatives, All Natural Beef Chili contains tender morsels of shredded beef, tangy spices, and a fresh medley of black, white, pinto and kidney beans.

Truitt Bros. All Natural Beef Chili is prepared using Food Alliance certified sustainable food handling techniques and ingredients, including sustainably grown beans and hormone- and antibiotic-free beef sourced from family-owned Central Bean Company and Country Natural Beef. Clear, flexible shelf-stable pouch packaging provides a variety of operational benefits.

All Natural Shredded Beef Chili is the newest addition to Truitt Bros. line of farm-to-table, shelf stable products. For more information, call (800) 547-8712 or visit www.truittbros.com.
